Submit Applications Using Egrants
Applications must be submitted through the Egrants online grants management system. If you have never used Egrants before, you will need to register for access to the system. To register online, go to https://register.wisconsin.gov/accountmanagement/default.aspx and complete the ‘self registration’ process.

Authorization to access Egrants can take several days depending on registration activity. Please note: If you register outside the hours of Monday-Friday 7:30am-4pm, access may not be approved until the next business day. Once your Egrants access has been approved, you may begin your online grant application.

Egrants Help Desk: 608-242-3231 or WEMEgrants@egrants.us
The help desk is staffed on non-holiday weekdays between 7:30AM and 4:00PM.

Online Help is available throughout the Egrants application process. Once you have started an application, look for the HELP button in the top right corner of the screen. Page-specific instructions can be found there.

Requirements for Federally Funded Grants

Unique Entity Identifier and System for Award Management (SAM): All applicants for this grant opportunity must be registered in SAM before submitting an application; and continue to maintain an active SAM registration with current information at all times during the period of performance for the grant. WEM’s website has a helpful guide for SAM registration. https://wem.wi.gov/admin-tools/

WEM cannot award a grant until the applicant has complied with all applicable SAM requirements. Please contact the assigned Program Manager if need assistance.
Notice of Funding Opportunity: HS ALERT SWAT Aerial Surveillance Device 2020

Description: This grant will support the Aligned Law Enforcement Response Team (ALERT) initiative of using advanced technology for surveillance and evidence recording for tactical personnel. This grant funding will allow the Brown County Sheriff’s Office the ability to purchase unmanned aerial equipment and evaluate the equipment and the need for tactical operations. The equipment will be available for a variety of law enforcement functions as well as national disasters and fire destruction.

WEM will provide grant funds for the aerial surveillance equipment and any accessories required to use adequately once federal approval is received.

Application Components

Through Egrants, you will provide WEM with detailed information about your project that will be used to make a funding decision. Questions on what is expected in each section can be directed to the Program Manager listed on page one of this document.

Information provided in this application may be cited in WEM reports or press releases and will likely be used in reports to federal funding agencies or other stakeholders. Plain language that clearly describes the intent of the project is most effective.

1. Main Summary

This page asks for information about your agency and the individuals responsible for the application and grant award. When identifying individuals involved in this grant, you may not list the same person as project director and financial officer. The financial officer is the individual responsible for financial activities in your organization while the project director will be overseeing project operations. An Alternate contact may be added to the application. This person is one that can and should access the application to complete required tasks such as modifications and reports, in the absence of the Project Director. This person should have knowledge of the project and authority to speak on behalf of the organization in the absence of the Project Director. If possible, we encourage the Project Director to list an alternate on the grant.

- The Signatory is the highest elected official. (example: Mayor, County Board Chair, Tribal Chair, etc.) For a non-profit this would be the Board President
- The Financial Officer – Person at the applicant agency who is responsible for financial reporting.
- The Project Director – Person at the applicant agency who is responsible for the project and for programmatic reporting.
- An Alternate contact may be added to the application. This person is one that can and should access the application to complete required tasks such as modifications and reports, in the absence of the Project Director. This person should have knowledge of the project and authority to speak on behalf of the organization in the absence of the Project Director. If possible, we encourage the Project Director to list an alternate on the grant.

In the Brief Project Description text box, please describe your project. A suggested format is included for your convenience:

“Funds will be used by the (your agency name and others involved in the project) to (describe what funds will be used for and who will be involved). The (what - equipment, training, project, pilot, etc.) will (describe the specific goals you hope to achieve – how will the project or equipment improve safety in Wisconsin?)"
There are many required fields on this page so if you encounter problems, please check online help by clicking the floating HELP button.

2. **Performance Measures**
   Please open this section and change the page status to Complete; then SAVE the page. Performance Measures will be identified and collected during post-award reporting rather than through this funding application process.

3. **Performance Measures**
   Please open this section and change the page status to Complete; then SAVE the page. Performance Measures will be identified and collected during post-award reporting rather than through this funding application process.

4. **Budget Detail**
   Complete a project budget using the following categories. For each category used, enter a justification that describes how the items in that category will be used during the course of the grant period. It is important that you include specific details for each budget line item, including cost calculations.

   **Equipment:** Homeland Security equipment grants require that all equipment (regardless the cost) be entered in this category so that applicants can select from authorized equipment lists. Equipment is defined as items used for prevention, emergency response, and recovery operations.

5. **Free Style Questionnaire - Core Capabilities**
   Choose a primary core capability for the project. Select as many secondary core capabilities as applicable for the project.

**Application Review and Award Criteria**
All applications must be submitted on or before the deadline and will be screened for completeness and compliance with the instructions provided in this announcement. WEM staff will review applications to ensure consistency with statewide strategies and make funding recommendations to the Adjutant General. All final grant award decisions will be made by the Adjutant General.

**Post-Award Special Conditions/Reporting Requirements**
If you are awarded funds under this announcement, you will be required to provide regular progress reports. The schedule for your reports will be included in your grant award materials.

Please review all of your grant award special conditions and Egrants reporting requirements when you receive the Grant Award documents. Your grant award will be subject to general terms and conditions as well as the following special conditions.
1. **Equipment Training**
   All personnel who utilize equipment purchased with funds from this grant must receive training either through the equipment vendor or other competent source specific to that piece of equipment before it is put into service. The sub-recipient is required to maintain proper training records.

2. **Equipment subject to mutual aid agreements**
   Emergency response capabilities developed using these grant funds must be made available to other emergency response agencies regionally, as may be required for incident response purposes.

3. **Equipment Maintenance and Disposal**
   Equipment shall be maintained and available to use as intended by the grant for the duration of its useful life. The sub-recipient is required to maintain proper equipment records. Sub-recipient seeking to dispose or transfer ownership of equipment must contact Wisconsin Emergency Management (WEM) Homeland Security Staff to obtain the Homeland Security Equipment Disposition Form, and further directions. If approved, the sub-recipient must maintain records of any equipment disposal or transfer of ownership. Any proceeds from the sale of equipment at or near the end of its useful life will be considered program revenue and must be reinvested into eligible homeland security expenses.

4. **Sustainment Costs**
   Agencies that accept funding are responsible for all sustainment costs.

5. **ALERT Equipment**
   Agencies accepting funding understand that equipment is intended to support regional law enforcement response efforts with ALERT. In the event that an agency is separated from the ALERT program, all equipment must be surrendered or transferred as directed by the ALERT Executive Committee.

6. **Procurement**
   Recipients and sub recipients shall use their own procurement standards and regulations, provided that the procurement conforms to applicable Federal law and the standards identified in the Procurement Standards Sections of 2 CFR § 200.318-326.

7. **Grant Modification**
   Grant modification must be approved by Wisconsin Emergency Management (WEM) in order to be considered. The applicant must be current with WEM Fiscal and Program Reports in Egrants for modification to be consideration. Grant modifications will not be granted unless applicant provides a compelling reason.
