Types of FEMA Disaster Assistance

Public Assistance

- For damaged public facilities/infrastructure
- FEMA pays 75%, state pays 12.5%, community pays 12.5%
- Can incorporate hazard mitigation activities

Individual Assistance

- Funds to homeowners
- Repair of housing, rental assistance, other assistance
- Maximum payout \$34,900
- Average payout \$4,000

Types of FEMA Disaster Assistance

Hazard Mitigation Grant Program

- Equivalent to 20% of Public and Individual Assistance funds
- ▶ FEMA pays 75%, state pays 12.5%, community pays 12.5%
- Grants to communities, not individuals
- Can fund mitigation for all-hazards
- State priority is acquisition and demolition of flood-prone structures
- Program moves very slowly
